

## *Commitments*

We will capture your love story and record it for eternity.  
Our prices reflect our experience, creativity and  
commitment to bringing you the most inspired  
wedding photography available.

Our investments start at \$2400. I will create a package especially  
for you based on your budget and different elements you  
would like to add.

All packages include:

2 hour pre-wedding planning session.

Unlimited locations.

Online gallery to share images with family and friends.

Two photographers will attend every wedding with over 25 guests.

We honor all love, regardless of whom you choose to marry.

Please call or email to have Amy create a package just for you.
